Board of Secondary Education  
Z P High School, Shanigaram

December 2020 – June 2024  
CGPA: 7.23  
April 2018 – May 2020  
Percentage: 96%  
June 2017 – April 2018  
CGPA: 9.2

## TECHNICAL SKILLS

---

- **Web Technologies:** HTML, CSS, JavaScript.
- **FrameWorks:** React Js
- **Database:** SQL
- **Operating Systems:** Windows

## PROJECTS

---

### School Course Management System

- Built a full-stack School Course Management System using React (frontend), Spring Boot (backend), and MySQL (database).
- Developed and integrated RESTful APIs for managing courses, students, and enrollments, following the MVC architecture with DAO/DTO layering.
- Implemented form validations, routing, and exception handling to ensure a responsive and robust user experience.

### Password Generator Web App

Personal Project | React.js, JavaScript, Tailwind CSS

- Developed a dynamic password generator using React that allows users to customize password length and choose character types (uppercase, lowercase, numbers, symbols).
- Implemented interactive UI using Tailwind CSS for responsive design and user-friendly layout.
- Utilized JavaScript logic to ensure secure, randomized password generation with clipboard copy functionality.
- Focused on accessibility, real-time feedback, and state management using React hooks (useState).

## CERTIFICATIONS

---

- Earned SQL Certification from Cognitive Class.
- Completed Java Training at Besant Technologies.
